Preamble:

The Board of Studies (BoS) for Computer Science and Engineering department is constituted by the chairman as per the guidelines of Academic Council. Chairman introduced all the members to the board of studies of Computer Science and Engineering department.

Resolutions:

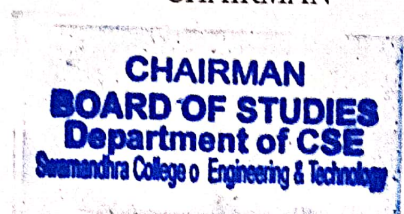

The following points were discussed in the BOS Meeting.

1. Advised that swap Data Science course with Software Engineering in V Semester

2. Suggested that In 3rd Semester put Data Analytics using Power BI in place of Data Analytics using Microsoft Excel.
3. Suggested that instead of Automata Theory and Compiler Design as one subject keep two separate subjects.
4. Advised separate Job Oriented Courses from Open Elective courses. We have separated into two categories, open category for other departments and Job Oriented courses for department students.
5. Universal Human Values-II course has been included in VI semester as per University and AICTE guidelines.
6. Advised that in place of Database Admin and Network Admin courses with Job Oriented courses in VII Semester.
7. Suggested that courses offered to other departments either fundamentals/principles/concepts of core subjects. If course name is same then syllabus must be same as in cse courses.
8. Suggested for professional electives remove "using or with" Python for some course names, just write only subject name without implementation language.
9. Suggested that syllabus must be balanced under all 5 Units.
10. Advised that Data Science course should earlier than Machine Learning course.
11. Course Out Comes as per Blooms terminology and Unit wise must be given
12. Suggested that prescribed text books must be latest ones.
