Dt. 3rd March, 2018

Board of Studies (BoS) committee meeting for UG(B.Tech) Information Technology program for R16 (CBCS) regulations for V, VI, VII and VIII Semesters held on 3-3-2018 at department of IT, Swarnandhra College of Engineering & Technology.

The following resolutions were made during the BoS meeting:

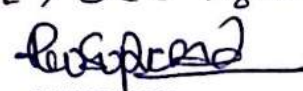

Resolution-1: BOS committee has recommended the following changes in the course structures.

01. Advanced Java & Web Technologies course of 5th semester is changed as Web Technologies and shifted to 6th Semester. Open Source Software and Open Source Software Lab are replaced with Web Technology and Web Technology lab respectively.
02. Distributed Systems subject of 5th semester and Artificial Intelligence course of 6th semester are interchanged with each other.
03. In place of Advanced Java & Web Technologies course and Advanced Java & Web Technologies lab of 5th semester, Data Warehousing & Data Mining course and Data Warehousing & Data Mining Lab are added.
04. Soft Computing course (Elective-IV) of 8th semester is replaced with Parallel Computing course
05. Addition of three lab programs in Big Data and Hadoop Lab of 7th semester using Programming R.
06. In Open Elective category, Software Project Management syllabus should be more generalized with the inclusion of fundamentals of Software Engineering

Resolution2: Discussed and approved the course contents of V, VI, VII and VIII semesters of R16(CBCS) regulation.
