To
The Principal
Swarnandhra college of Engineering & Technology,
Seetharampuram.

Sir

Sub: Collaboration activities – Reg.

We, Microlink Peripheral Controls (P) Ltd, Vijayawada develops Embedded and VLSI Based System Design for society needs. We would like to collaborate with your intuition in designing of real time based Embedded systems with the skills of your faculty for long time and also to support for consultancy and research development in the field of Embedded systems.

Thanking you sir

For Microlink Technologies
